	<p>哆寶 DOBBLE</p> <p>Dobble, a visual perception card game suitable for ages 6 and up in which players race to find the one matching image between one card and another. The images may be different sizes and placed on any part of the card, making them difficult to spot. The circular cards feature an assortment of colorful images of everyday items. Every card is unique and has only one picture in common with every other card in the deck.</p> <p><a href="https://www.youtube.com/watch?v=8TfDH0Rnpyc">https://www.youtube.com/watch?v=8TfDH0Rnpyc</a></p>	<p>Qty: 4 sets</p>
	<p>拉密 Rummikub</p> <p>Players take turns placing numbered tiles in runs (consecutive numbers of the same color, like 2, 3, 4 in red) and groups (three or more of the same number in different colors, like a red 9, a blue 9, and a black 9), rummy style. It's easy to learn, but packed with strategy--the "board" changes all the time as players adjust the tiles on the table. The Joker tiles add to the fun; they can be any color or number. The object is to be the first player to play every tile on your rack. Players keep track of who wins each round--the player who wins the most rounds wins this time-tested tile game (there's also a point system for use as a tie-breaker). When students play, it reinforces STEM and STEAM concepts such as sequencing, pattern recognition, and planning skills.</p> <p><a href="https://www.youtube.com/watch?v=wSuVZtTrPU8">https://www.youtube.com/watch?v=wSuVZtTrPU8</a></p>	<p>Qty: 1 set</p>
	<p>妙語說書人 Dixit</p> <p>In this award-winning board game, players will use the beautiful imagery on their cards to bluff their opponents and guess which image matches the story. Guessing right is only half the battle to really succeed, you'll have to get your friends to decide that your card tells the story! Every turn, the storyteller will call out a short phrase or word to match the image on his card. Then each player will choose the card that most closely matches that phrase, and then everyone must guess which card the storyteller saw when he invented his brief tale. Correctly guess the storytellers card, and you'll move ahead. Convince everyone else that your card is best, and you'll do even better. Dixit will appeal to anyone with an imagination.</p> <p><a href="https://www.youtube.com/watch?v=Qi4MoW6NuaQ">https://www.youtube.com/watch?v=Qi4MoW6NuaQ</a></p>	<p>Qty: 1 set</p>

機密代碼 Codenames

Qty: 2 sets

Two rival spymasters know the secret identities of 25 agents. Their teammates know the agents only by their codenames. The teams compete to see who can make contact with all of their agents first. Spymasters give one-word clues that can point to multiple words on the table. Their teammates try to guess words of their color while avoiding those that belong to the opposing team. And everyone wants to avoid the assassin. The game works very well with 4 players if you prefer to guess without help. Or you can add more players if you prefer lively discussion. There is also a cooperative variant where a single team tries to achieve the highest score they can by playing against the game itself.

**有口難言 Taboo****Qty: 1 set**

---

Taboo, the laugh out loud, out-of-your-seat game of forbidden words. In the Taboo game, you need to get your team to guess the secret word, but the obvious clues are strictly off-limits. To get your team to say pinball, would you say arcade, game, flippers, tilt or roll? In this game you can't because all of those words are strictly forbidden. Get your team to guess as many words as you can while you race against the clock. But watch out; if you say a forbidden word, the other team will "squeak" you and you lose the word.
